How would you like to receive updates about Micromet Online or Telecommand ?

- Email                       Regular mail                       Fax (tick one only please)

### User Identification

Preferred User Name \* : \_\_\_\_\_ (Min 6, Max 15 alphanumeric or punctuation)  
 Alternate User Name \* : \_\_\_\_\_ (in case preferred is not available )

Each user name must be unique so someone else may have already chosen your preferred user name. Keep it clean and non sexist. non racist etc please.

### Selected Services

Tick the desired services, and fill in the details for each selection:

- Micromet Online** ( Manage Micromet on the internet using your web browser)

Preferred Password \* ± : \_\_\_\_\_ (Min 6, Max 15 alphanumeric or punctuation)

Your password protects your data from unauthorized use by other persons. It is important that your password be complex enough to avoid other people guessing it. Try to include punctuation, numbers and capitalization. Parts of your name, user name, birth dates or simple words may not be acceptable.

- Telecommand** ( Control Micromet using a telephone )

Nominated Phone number \* : \_\_\_\_\_ (Include area code )  
 PIN Number \* : \_\_\_\_\_ (Min 4, Max 6 numeric digits)

The Telecommand nominated phone may be either land or mobile, but must have a caller ID transmission enabled. Each user must have a unique nominated phone number. Telecommand will only answer nominated caller Ids.

Your PIN protects your data from unauthorized use by other persons. It is important that your password be complex enough to avoid other people guessing it. Simple codes such as 12345 or 0000 may not be acceptable to protect your data.
